

ICT40118 - Certificate IV in Information Technology

NATIONALLY RECOGNISED
TRAINING

UIA
Ultimate Institute of Australia

National Code:	ICT40118
CRICOS Code:	0101629
Course Duration:	52 weeks (incl. holidays)
Delivery Mode:	20 hours per week face-to-face
Location:	Melbourne
Course Fees:	AU\$11,000 (incl. \$450 material fee)

UIA is a Registered Training Organisation (RTO) specialising in the delivery of nationally recognised training to international students from all cultures and backgrounds.

This ICT40115 Certificate IV in Information Technology qualification provides intermediate skills and knowledge for an individual to be competent in a wide range of general to specific information and communications technology (ICT) and to support small to medium enterprises that require broader ICT supports, operations and applications.

You will also learn about workplace communication, safe work practices and other useful things that blend with a variety of other course outcomes, no matter what your profession or longer-term career aspirations are.

Potential education pathways include Diploma and Advanced Diploma of Information Technology through to Bachelor of Information Technology.

Career opportunities may include roles in Data Center Support Officer, Customer System Support, Web Designer, User Support Technician, Computer Network Operations Technician and Computer Programmer.

Please refer to the UIA website (www.uia.edu.au) or contact us today for more information.

- ICTICT418 Contribute to copyright, ethics and privacy in an ICT environment

Elective Units*

- ICTNWK401 Install and manage a server
- ICTNWK408 Configure a desktop environment
- ICTNWK409 Create scripts for networking
- ICTNWK410 Install hardware to a network
- ICTWEB429 Create a mark-up language document to specification
- ICTWEB411 Produce basic client-side script for dynamic web pages
- ICTPRG402 Apply Query Language
- ICTWEB413 Optimise search engines
- ICTDBS415 Build Database
- ICTICT408 Create technical documentation
- ICTICT403 Apply software methodologies
- ICTTEN410 Locate, diagnose and rectify faults
- ICTSAS426 Locate and troubleshoot ICT equipment, system and software faults
- ICTNWK403 Manage network and data integrity
- ICTSAS420 Provide first-level remote help-desk support

*Elective units for this qualification are current at the time of publication and are subject to change.

Qualification Entry Requirements

At the time of publication, the ICT National Training Package noted that there are no qualification entry requirements for this Nationally Recognised Training.

Age Requirement: All international students must be at least 18 years of age or above at the time of the course commencement to study at UIA.

Academic Requirement: Satisfactory completion of an equivalent Australian Year 11 or Certificate III or higher.

English Language Requirements:

International students, applying either off-shore or on-shore will require:

1. Either a minimum IELTS General test score of 5.5 (or equivalent*) for direct entry into the course, or IELTS General score of 5.0 (or equivalent*) with evidence of enrolment in an ELICOS course of at least 10 weeks' duration taken before the VET course, or IELTS General score of 4.5 (or equivalent*) with evidence of enrolment in an ELICOS course of at least 20 weeks' duration taken before the VET course.

Results older than two years are not acceptable.

OR

2. Evidence that they have completed at least five years' study in one or more of the following countries: Australia, United Kingdom, United States of America, Canada, New Zealand, South Africa or the Republic of Ireland.

OR

3. The student is a citizen and holds a passport from UK, USA, Canada, New Zealand or the Republic of Ireland.

OR

4. Evidence that, within two years of their application date, they have successfully completed in Australia a foundation course or a senior secondary certificate of education or a substantial part of a Certificate IV or higher-level qualification, from the Australian Qualifications Framework.

5. Completion of an ELICOS course exiting at the upper-intermediate level.

OR

6. Completion of a language, literacy and numeracy (LLN) test conducted by UIA.

If students do not meet English Language requirements, learners will be asked to take further language, literacy and numeracy training. UIA will provide recommendations to accredited language testing facilities.

*Acceptable equivalent tests are TOEFL IBT, TOEFL PBT, PTE Academic and Cambridge English Advanced (CAE).

Pre-Training Review (PTR) and Language, Literacy and Numeracy (LLN)

All students will be required to undergo a PTR to determine that they understand the course requirements; that the course suits the student's needs and aspirations; and that they have the skills and abilities to succeed in their chosen course. All students are required to understand and successfully complete an LLN test conducted by UIA. If students do not meet English and LLN requirements, they will be asked to take further language, literacy and numeracy training.

Recognition of Prior Learning or Credit Transfer

Course related work, prior study and/or life experience relevant to this course may entitle you to subject credits or recognition.
